

Volunteer Application

In Stride Scholarship Foundation is a nonprofit organization that seeks to remove the cost barrier to technical college, encouraging students to continue their stride into higher education.

Fund Development:

Volunteers will work to pursue financial contributions from private companies/individuals, corporate sponsorships, or state grant writing. Additionally, volunteers will have the opportunity to plan fundraising events.

Community/Student Outreach:

Volunteers will work to create awareness of our organization/scholarship opportunities in our community. They will work with high school counseling departments to recruit potential applicants and will participate in the scholarship recipient selection process.

Full Name: _____
